End of Term III Circular

Greetings from Hawthorne – Scribner High School – Bududa, AAH Uganda and REACH for Uganda to all our pioneer families and friends of the mighty school

We thank all families for entrusting us with your children and choosing Hawthorne – Scribner High School Bududa. We also thank you for paying the school fees through out the year and for the moral support to the students and the institution. We also thank the dedicated staff of HSHS for delivering a service and the REACH for Uganda team for the guidance, support and financing the activities.

The Term III has ended today and the leaners deserve a good rest after a packed calendar of activities that involved not only classroom engagements but also enrichment in clubs, ICT, 3-D designs and printing, interhouse games, hikes, tours and mentorship.

This is a festive season, we wish all families the best of the celebrations and a happy and prosperous 2026. Keep the students safe, it is a political season in Uganda.

We are admitting students into S1, S2, S3, S5 and S6. Recommend a friend and a neighborhood to join the mighty school. Our offices will be open throughout the holiday from 8:00 am – 5:00 pm.
